SECTION 2:

INTRODUCTION TO PHYSICAL EDUCATION

2.1 What is Physical Education?

Physical Education is part of a selection of study areas that make up the Life Skills Learning Programme as specified for the GCE Technical Occupational qualification. It develops learners' physical well-being and knowledge of movement and safety. It encourages learners to use these to perform in a wide range of activities associated with the development of an active and healthy lifestyle. During engagement in this study area, learners will develop motor skills and participate in a variety of physical activities.

2.2 The focus of assessment within the PET falls into two broad categories: **participation** and **movement performance**. (See assessment section)

2.3 Specific Aims:

The Physical Education (PE) component aims to develop learners' physical wellbeing and knowledge of movement and safety. It also aims to develop learners' confidence and generic skills, especially those of collaboration, communication, creativity, critical thinking and aesthetic appreciation. These, together with the nurturing of positive values and attitudes in PE, provide a good foundation for learners' lifelong and life-wide learning.

2.4 Requirements for Physical Education as a subject

2.4.1 Time Allocation

The total number of hours allocated for Physical Education as part of the Life Skills Learning Programme is 1 hour in a five-day cycle.

The table below provides the time allocated and mark weighting for the different study areas.

Study Areas	Time allocation per week	Time allocation per year and % weighting			
		Year 1	Year 2	Year 3	Year 4
Personal Well-being	2½ hours	100 hours 60%	100 hours 50%	100 hours 50%	75 hours 50%
Physical Education	1 hour	40 hours 20%	40 hours 15%	40 hours 15%	30 hours 15%
Creative Arts	1 hour	40 hours 20%	40 hours 15%	40 hours 15%	30 hours 15%
Natural Sciences	1½ hours	x	60 hours 20%	60 hours 20%	45 hours 20%
Total	4 ½ hours Y1 6 hours Y2-4	180 hours	240 hours	240 hours	180 hours
Weeks		40	40	40	30- No new work in term 4

The Physical Education Task (PET) is administered across all four school terms in Years 1-3 and terms 1 - 3 for year 4. Learners are expected to participate in a Physical Education period once a week, which is timetabled to take place in a fixed period, labeled **Physical Education** on the school timetable. Learner participation and movement performance in the Physical Education task (PET) will be assessed and reported in each term.

2.4.2 Resources

- Substitute facilities mentioned with available resources or facilities to address the content at an appropriate level.
- Caps Gr. R – 9
- Magazines and Newspapers
- ICT
- Basic First Aid kit

- Policies
- Human Resources
- Physical Resources
- Other
- Different equipment e.g. balls, hurdles, bean bags, etc.

2.4.3 Infrastructure, equipment and finances

Schools must ensure that teachers have the necessary infra-structure, equipment and financial resources for quality teaching and learning.

Finances:

Budget and inventory

A budget must be allocated for the subject. The amount will be determined by the number of learners taking the subject across all the years and the nature of the practical work required as stipulated in the curriculum. The budget needs to be revised annually and must consider all resources needed per year. The funding must make provision for maintenance of equipment and the replacement over the years.

A stock inventory must be maintained by the teacher and verified annually by a Senior Management Team member.

2.5 Career opportunities

The subject aims to prepare all learners for the world of work by developing social skills and sportsmanship

SECTION 3:

OVERVIEW OF TOPICS PER TERM AND ANNUAL TEACHING PLANS

3.1 Content overview

Years 1-2	Year 3 - 4
• Different ways to loco mote, rotate, elevate and balance, using various parts of the body with control • A variety of modified invasion games • Rhythmic movements with focus on posture • Basic track and field athletics and swimming activities • Safety measures	• Physical fitness programme to develop particular aspects of fitness • A variety of striking and fielding games • Rhythmic patterns of movement with coordination and control • Refined sequences emphasizing changes of shape, speed and direction through gymnastic actions • Safety measures

The table provides examples of possible physical education activities that can be presented across years 1-4

Field and track	Invasion and target	Movement sequences	Safety measures
- Field athletics: adapted shot put, discus, javelin, long jump, high jump - Track athletics: sprints, middle and long distances and relays.	- Netball/basketball - Soccer - Rugby - Hockey - Tennis - Indigenous or community games	Gymnastic sequences which combine two or more of the following movements: running, walking, jumping, hopping, skipping	- Clothing and footwear - Surface of the play - Use and condition of apparatus - Warm up and cool down - Basic First-aid - Water safety - Spacing of learners during activities - Following instructions
Fitness activities and aspects of fitness	Striking and fielding Games	Rhythmic movements	
- Aerobics: aquatics, stepping, spinning - Walking/ running/ swimming/ cycling programmes - Flexibility, power, speed, endurance	- Modified: cricket, baseball, volleyball - Indigenous or community games - Swimming games	- Aerobics - Rhythmic gymnastics with or without hand apparatus. - Traditional dance patterns	

IMPORTANT: Schools may choose any activities that suits them given their context. Teachers can adapt and add their own activities.

3.2 Content outline per term

Year 1 and 2 Term 1

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport Games	Demonstrate the following: • Fitness: • Athletics – Crouch start- Starting command: On your marks...get set...go! 50 m sprint; running in lanes. • Cardio vascular fitness - Rounders • Sport: ○ Cricket – Batting ○ Tennis- Forehand and backhand shots ○ Swimming- Confidence exercises, breathing, kicking, gliding, buoyancy. • Games: •Athletic games, such as relay games (loco motor) jumps and throws •Games that include rotation, elevation and balance. (Individual) •Water activities that promote confidence •Mini cricket •Tennis set	Textbooks Resources on sport and games Athletic- and swimming-, tennis-, cricket, water techniques

4 - 5	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Athletics – Relay running, long jump, high jump. ○ Cardiovascular fitness: Paarlauf • Sport: ○ Tennis - Serve and follow-through; volley ○ Swimming- Arm strokes: Free style and backstroke ○ Cricket - Fielding and bowling • Games: ○ Athletic games- relay running ○ Games that include rotation, elevation and balance. (Partners) ○ Water activities that promote confidence ○ Mini cricket; circle dodge ball ○ Tennis set	Textbooks Resources on sport and games Athletic- and swimming-, tennis-, cricket, water techniques
6 - 8	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Athletics – Middle distance running, cross country, running • Sport: ○ Cricket - Wicket keeper and field placing ○ Tennis - Serve and follow-through; volley	Textbooks Resources on sport and games Athletic-, cricket and netball techniques

		○ Swimming – Races ○ Netball – catching and passing ○ Basketball - dribble ○ Games: ○ Athletic games ○ Games that include rotation, elevation and balance. (Groups) ○ Water activities – giant steps, dive to fetch colour disks, ring-a-ring-a-Rosie ○ Mini cricket – relay running ○ Tennis Set ○ Obstacle course (elements of locomotion, rotation, balance, elevation) ○ Circle dodge ball: relay races, free tag, catch your partner, shuttle relay	
9 - 10	Formal Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)	

Year 1 and 2 Term 2

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Running; agility; speed; power, strength and flexibility • Sport: ○ Netball - Catching and passing ○ Hockey- Grip and dribble ○ Soccer - passing ○ Basketball - Dribble and dodging ○ Rugby- Passing Games • Obstacle course • Jockeys and horses; ○ Potato relay.	Textbooks Resources on safety, sport and games Athletic-, swimming-, tennis-, cricket, water techniques Obstacle course
4 - 5	Fitness Sport Games	Practise the following: • Fitness: ○ Running- jogging; agility- running zigzag; speed- 50 sprint; power-running on the spot, strength- squad jumps, press-ups, etc.; and flexibility – stretching all body regions	Textbooks Resources on sport and games Athletic-, swimming-, tennis-, cricket, water techniques

		• Sport: ○ Netball-shooting ○ Hockey- Passing ○ Soccer- Trapping ○ Basketball- Passing ○ Rugby- Kicking ○ Volleyball- Passing Games • Obstacle course • Cranes and crows, keep the basket full, Mr Wolf, traditional games etc.	
6 - 8	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Running- jogging; agility- running zigzag; speed- 50 sprint; power-running on the spot, strength- squad jumps, press-ups, etc.; and flexibility – stretching all body parts • Sport: ○ Netball - Positions and tactics ○ Hockey - Striking at goal, Grip and dribble ○ Soccer - stop of the ball, dribble and passing ○ Basketball – Shooting, Lay-up ○ Rugby - Punting ○ Obstacle course	Textbooks Resources on sport and games Netball-, Hockey-, Soccer- and Rugby Techniques

		○ Games ○ Mini soccer, mini basketball, mini hockey, touch rugby, mini netball (Open skill application) ○ Catch the tigers tail; horse and cart, chase your partner, cops and robbers etc.	
9 - 10	Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)	

Year 1 and 2 Term 3

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport	Demonstrate the following: • Fitness: ○ Running- Cardiovascular fitness-lap running • Sport: ○ Netball - Running into spaces ○ Hockey- Striking ○ Soccer- Heading ○ Basketball- tactics ○ Rugby- Scrumming/ line-out ○ Gymnastics- floor movements	Textbook Resources on safety Rhythmic
4 - 5	Fitness Sport	Demonstrate and apply the following: • Fitness: ○ Running- jogging; agility- running zigzag; speed- 50 sprint; power-running on the spot, strength- squad jumps, press-ups, etc.; and flexibility – stretching all body regions • Sport:	Textbook Resources on safety Rhythmic

		○ Netball - Catching and passing ○ Hockey- Grip and dribble ○ Soccer- dribble and passing	
6 - 8	Fitness: Sport Games	Demonstrate the following: • Fitness: ○ Circuit training ○ Sport: ○ Netball – Catching and passing ○ Hockey- Grip and dribble ○ Soccer- dribble... passing ○ Basketball- Lay-up ○ Rugby- Punting, Passing and kicking ○ Gymnastics- vaulting, pyramids - skipping ○ Games: ○ Obstacle course ○ Mini soccer, mini basketball, mini hockey, touch rugby, mini netball ○ Rotten egg ○ Follow the leader, rope skipping games	Textbook Resources on safety Rhythmic

9 - 10	Formal Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)
--------	----------------------	---

Year 1 and 2 Term 4

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport Games	Demonstrate and practise the following: • Fitness: ○ Athletics – Crouch start- Starting command: On your marks...get set...go! 50 m sprint; running in lanes. ○ Cardio vascular fitness- circuit training ○ Sport: ○ Cricket - Batting- forward defensive; backward defensive ○ Tennis ○ Volley ball ○ Swimming - Arm and leg actions with various swimming styles, i.e. free style, backstroke etc. • Games: ○ Bull in the ring ○ Athletic games ○ Mini cricket	Textbook Resources on safety Athletic activities

		⊖ Tennis set; tunnel crawls	
4 - 5	Fitness Sport Games	Demonstrate and practise the following: • Fitness: ○ Athletics – Relay running, long jump, high jump. ○ Cardiovascular fitness: Paarlauf • Sport: ○ Cricket - Fielding and bowling ○ Gymnastics - Rhythmic with hand apparatus ○ Tennis - Serve and follow-through; volley ○ Swimming - Arm strokes: Free style and backstroke • Games: ○ Water activities that promote confidence ○ Athletic games - relay running ○ Mini cricket ⊖ Tennis set	Textbook Resources on safety Athletic activities
6 - 8	Fitness	Demonstrate and participate in the following: • Fitness:	Textbook

	Sport Games	○ Athletics – Middle distance running, cross country running. • Sport: ○ Cricket - Wicket keeper and field placing ○ Gymnastics: Agility, floor exercise ○ Tennis - Serve and follow-through; ○ Volley ball ○ Swimming – Races, treading • Games: Athletic games ○ Water activities- giant steps, dive to fetch colour disks; ring-a- ring- a-Rosie ○ Mini cricket ○ Tennis set; catch the dragon's tail ○ Obstacle course ○ Circle dodge ball, relay races, free tag, catch your partner, shuttle relay	Resources on safety Athletic activities
9 - 10	Formal Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)	

Year 3 - 4 Term 1

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Athletics – Sprinting- crouch start; relay running- overhand take over of relay baton ○ Cardio vascular fitness- Lap running, time trials; shuttle relay; rope skipping • Sport: ○ Cricket - Batting and bowling; fielding; field placing ○ Tennis- Forehand and backhand shots: Grip and foot positions ○ Swimming- Breaststroke, arms and legs action • Games: ○ Athletic games ○ Water safety and rescues principles ○ Mini cricket ○ Tennis set	Textbook Resources on safety Resources on athletic activities
4 - 5	Fitness Sport Games	Practise the following: • Fitness: (First Aid theory) ○ Athletics – Sprinting 80 m: relay running- (1) fastest starter (2) bend runner (3)	Textbook Resources on safety Resources on movement sequences

		back straight (4) fastest finisher. ○ Circuit training in station • Sport: ○ Cricket – Fielding, Wicket keeping and bowling ○ Tennis - Foot positions for forehand and backhand respectively ○ Swimming - Backstroke – arms and leg action • Games: ○ Athletic games ○ Water activities: Relays: Medley. ○ Mini cricket ○ Tennis set ○ Traditional games	
6 - 8	Fitness Sport Games	Demonstrate the following: • Fitness: (First aid Practical's) ○ Running- jogging; agility- running zigzag; speed- 50 sprint; power-running on the spot, strength- squad jumps, press-ups, etc.; and flexibility – stretching all body regions; rope skipping ○ Athletics – Field items: Long jump; high jump ○ Cardio vascular fitness- Shuttle relay • Sport: ○ Cricket - Catching a high ball ○ Gymnastics: Rhythmic with/ without hand apparatus	Textbook Resources on safety Resources on movement sequences

		○ Tennis- Forehand and backhand shots ○ Swimming- Butterfly stroke arm action and dolphin kick; Water activities- safety ○ Mini cricket ○ Rhythmic Gymnastics	
9 - 10	Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)	

Year 3 - 4 Term 2

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport Games	Demonstrate and participate in the following: • Fitness: ○ Running- Jogging; agility- shuttle relay; speed- 50m sprints; power-squad jumps, strength- press-ups and flexibility- sit and reach • Sport: ○ Netball- Catching and passing ○ Hockey- Grip and dribble ○ Soccer- passing ○ Basketball- Dribble and dodging ○ Rugby- Passing ○ Gymnastics: Floor Sequences • Games: ○ Obstacle course ○ Chase your partner, cops and robbers etc.	Textbook Resources on safety, games and sport
4 - 5	Fitness Sport	Demonstrate the following: • Fitness:	Textbook

	Games	○ Running- jogging; agility- running zigzag; speed- 50 sprint; power-running on the spot, strength- squad jumps, press-ups, etc.; and flexibility – stretching all body regions • Sport: ○ Netball -Tactics ○ Hockey- corner ○ Soccer- Trapping ○ Basketball- Passing ○ Rugby- scrum and line-out ○ Volleyball- Passing • Games: ○ Gymnastics- Agility ○ Obstacle course ○ Cranes and crows, keep the basket full, Mr. Wolf, traditional games etc.	Resources on safety, games and sport Resources on movement sequences
6 - 8	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Circuit training: stations, running into backline, sit ups, squad jumps, press ups, burpees • Sport: ○ Netball- Positions and tactics, catching and passing ○ Hockey- Striking at goal ○ Soccer- Goal keeping/ Striking, grip and dribble ○ Basketball- Shooting, lay-up	Textbook Resources on safety, games and sport Resources on movement sequences

		○ Rugby- Punting , passing and kicking ○ Gymnastics- Forward/backward roll, rhythmic • Games: ○ Obstacle course ○ Mini soccer; mini basketball; mini hockey, touch rugby, mini netball (Open skill application) ○ Cops and robbers	
9 - 10	Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)	

Year 3 - 4 Term 3

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Running- Cardiovascular fitness- lap running; Paarlauf; shuttle relay • Sport: ○ Netball - Defence ○ Hockey- Goal keeping ○ Soccer- Heading/ trapping ○ Basketball- Passing ○ Rugby- Scrumming/ line-out ○ Gymnastics- Rhythmic • Games: ○ Shuttle relay games ○ Mini netball, mini-hockey; mini soccer; touch rugby; mini-basketball etc. as open skill application ○ Indigenous games; volleyball; softball etc.	Textbook Resources on safety, games and sport Resources on movement sequences
4 - 5	Fitness Sport	Demonstrate and participate in the following: • Fitness	Textbook Resources on safety

	Games	○ Athletics – Sprinting 80 m: relay running- (1) fastest starter (2) bend runner (3) back straight (4) fastest finisher. ○ Cardio vascular fitness- Lap running- time trials • Sport: ○ Cricket - Fielding- defensive and attacking ○ Tennis- Foot positions for forehand and backhand respectively ○ Swimming- Strokes- arm and leg actions • Games: ○ Athletic games ○ Games that include rotation, elevation and balance. (partners) ○ Water activities that promote confidence ○ Mini cricket ○ Tennis sets ○ Traditional games	Resources on movement sequences
6 - 8	Fitness Sport Games	Demonstrate and participate in the following: • Fitness: ○ Circuit training • Sport: ○ Netball- Catching and passing ○ Hockey- Grip and dribble ○ Soccer- dribble... passing ○ Basketball- Lay-up ○ Rugby- Passing and kicking	Textbook Resources on safety Resources on movement sequences Video of traditional dances

		○ Gymnastics- Agility/ rhythmic, floor sequence • Games: ○ Obstacle course ○ Mini netball, mini-hockey; mini soccer; touch rugby; mini-basketball etc. as open skill application ○ Gymnastics: Pyramids, traditional dance	
9 - 10	Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)	

Year 3 Term 4 (No PE in Year 4 Term 4. These periods will be used for REVISION of External Examination subjects)

WEEK	TOPIC	CONTENT The learner is able to:	Techniques, activities, resources and process notes
1 - 3	Fitness Sport Games	Demonstrate the following: • Fitness: ○ Athletics – Crouch start- Starting command: On your marks...get set...go! 80 m sprint. ○ Cardio vascular fitness- circuit training • Sport: ○ Cricket-Batting ○ Gymnastics: Safety and support/assistance ○ Tennis-Ground shots hand ball ○ Swimming - Safety precautions • Games: ○ Water activities that promotes water safety ○ Athletic games ○ Mini cricket ○ Tennis set, T. Ball.	Textbook Resources on safety Resources on athletic activities

4 - 5	Fitness Sport Games	Practise the following: Fitness: ○ Athletics – Relay running, long jump, high jump. Cardiovascular fitness: Paarlauf • Sport: ○ Cricket - Field placing ○ Gymnastics: Agility ○ Tennis-Serve and follow-through; volley ○ Swimming-Front crawl and backstroke and other swimming strokes • Games ○ Athletic games- relay running ○ Water activities that promote confidence ○ Mini cricket ⊖ Tennis set	Textbook Resources on safety Resources on athletic activities
6 - 8	Fitness Sport Games	Practise and demonstrate the following: • Fitness: ○ Athletics – Middle distance running, cross country running. • Sport: ○ Cricket - Wicket keeper and field placing ○ Gymnastics: Agility, hand stand, head stand ○ Tennis- Serve and follow-through; ○ Volley ball, volleying and digging	Textbook Resources on safety Resources on athletic activities

		○ Swimming- Races ○ Netball – catching and passing ○ Hockey – grip and dribble ○ Soccer – dribble and passing ○ Basketball – lay up ○ Rugby – passing and kicking ● Games: ○ Athletic games ○ Water activities- giant steps, dive to fetch colour disks; ring-a- ring- Rosie ○ Mini cricket ○ Tennis set: Dwarf	
9 - 10	Formal Assessment	Criterion 1: Frequency of participation during Physical Education periods: 20 marks Criterion 2: Outcome of movement, performance: 10 marks (see Assessment Tool for Physical Education)	

Year 4 Term 4

WEEK	TOPIC	CONTENT	Techniques, activities, resources and process notes
1-4		Revision on External Examination subjects	
5-10		Learners write External Examination in other subjects.	

SECTION 4:

ASSESSMENT IN PHYSICAL EDUCATION

4.1 Introduction

This section on assessment standardizes the recording and reporting processes for Year 1-4 learners within the framework of the adapted skills curriculum in Special Schools that offer a skills programme. It also provides a policy framework for the management of school based assessment and school assessment records. It is still required of teachers to offer a differentiated form of assessment as learners following an adapted curriculum with a skills focus have specific barriers to learning. Since a learner or learners may be functioning on different grades or levels (straddling), the assessment / recording / reporting system must make provision to reflect the functioning level(s) of each learner. Each learner, regardless of his/her number of years in the School of Skills, must have access to the standard of assessment best suited to his/her needs. The learner's abilities determine what will be expected of him/her and the pacing of instruction must accommodate the individual learner.

Definition

Assessment is a continuous planned process of identifying, gathering and interpreting information about the performance of learners, using various forms of assessment. It involves four steps: generating and collecting evidence of achievement; evaluating this evidence; recording the findings and using this information to understand and thereby assist the learner's development in order to improve the process of learning and teaching. Assessment should be both informal (Assessment for Learning) and formal (Assessment of Learning). In both cases regular feedback should be provided to learners to enhance the learning experience. Assessment is a process that measures individual learners' attainment of knowledge (content, and concepts) and skills by collecting, analysing and interpreting the data and information obtained from this process to:

enable the teacher to judge a learner's progress in a reliable way.

inform learners of their strengths, weaknesses and progress.

assist teachers, parents and other stakeholders in making decisions about the learning process and the progress of learners.

Assessment should be mapped against the content, skills, intended aims and assessment criterion specified in the curriculum. In both informal and formal assessments, it is important to ensure that in the course of a school year:

- all of the content is covered;

- the full range of skills are included;
- a variety of different forms of assessment are used.

4.2 Informal Assessment or Daily Assessment

Assessment for learning has the purpose of continuously collecting information on a learner's achievement that can be used to improve their learning. Informal assessment is a daily monitoring of learners' progress. This is done through observations, discussions, practical demonstrations, learner-teacher conferences, informal classroom interactions, etc. Informal assessment may be as simple as stopping during the lesson to observe learners or to discuss with learners how learning is progressing. Informal assessment should be used to provide feedback to the learners and to inform planning for teaching, but need not be recorded. It should not be seen as separate from learning activities taking place in the classroom. Learners or teachers can mark these assessment tasks. Self-assessment and peer assessment actively involves learners in assessment. This is important as it allows learners to learn from and reflect on their own performance. The results of the informal daily assessment tasks are not formally recorded unless the teacher wishes to do so. The results of daily, informal assessment tasks are not taken into account for progression, promotion and certification purposes. Informal, on-going assessments should be used to scaffold the acquisition of knowledge and skills and should be the stepping stones leading up to the formal tasks in the Programmes of Assessment.

4.3 Formal Assessment

All assessment tasks that make up a formal programme of assessment for the year are regarded as Formal Assessment. Formal Assessment Tasks are marked and formally recorded by the teacher for progression and certification purposes. All Formal Assessment Tasks are subject to moderation for the purpose of quality assurance and to ensure that appropriate standards are maintained. Formal assessment tasks form part of a year-long formal Programme of Assessment.

Why use a Formal Assessment task?

“Formal Assessment Task (assessment of learning)” – is a systematic way of assessment used by teachers to determine how well learners are progressing in a level and in a particular subject.

What is a Formal Assessment Task?

It is a set of questions and or instruction that learners need to respond to. A task may consist of a range of activities. A formal task must be valid, fair and reliable and must cover sufficient knowledge and or skills to report on the learners' progress.

Teachers must ensure that assessment criteria are very clear to the learners before the assessment process. This involves explaining to the learners which knowledge and skills are being assessed and the required length of responses. Feedback should be provided to the learners after assessment

and could take the form of whole-class discussion or teacher-learner interaction. Examples of formal assessments include projects, oral presentations, demonstrations, performances, tests, examinations, practical demonstrations, etc. The forms of assessment used should be appropriate to the age and the developmental level of the learners. The assessment tasks should be carefully designed to cover the content and or skills of the subject. The design of these tasks should therefore ensure that a variety of skills are assessed. Practical Assessment Tasks allow for learners to be assessed on a regular basis during the school year and also allow for the assessment of skills that cannot be assessed in a written format, e.g. test or examination.

People Involved in Assessment:

The school and the teachers have overall responsibility for the assessment of learners. Teachers are expected to create a valid, reliable and credible assessment process.

4.3.1 Assessment Tool for Physical Education

The assessment tool for learner performance in the two criteria of the task:	Limited	Adequate	Proficient	Excellent
CRITERION 1: Divide number of times a learner participated by number of PE periods and multiply by 20.				
FREQUENCY OF PARTICIPATION DURING PHYSICAL EDUCATION PERIODS (20 marks)				
CRITERION 2: While a record will be kept of learner participation per period, each learner will not be assessed on movement performance in every Physical Education period, but will be formally observed at least two times across a school term for formal assessment purposes to determine their level of movement performance. Allocate a mark out of five (5) for each of the two observations, total out of ten (10)				
OUTCOME OF MOVEMENT PERFORMANCE (10 marks)	Very clumsy and/or ineffective – movements do not produce the desired outcome at all (0 -1 mark)	Requires further attention and refinement – lapses in movements which do not always produce the desired outcome (2 -3 marks)	Efficient, effective and appropriate – movements mostly produce the correct desired outcome (4 marks)	Exceptional level of skill – movements always produce the desired outcome (5 marks)

Please note: The above instrument is used nationally but teachers can adapt it to suit the Schools' context.

4.3.2 Formal Assessment Requirements

In the Formal Programme of Assessment for Physical Education record will be kept of the learners' participation per period (20 marks), and will be assessed on movement performance twice a term (2x5 marks). (See Assessment Tool for Physical Education)

4.4 Recording and Reporting

Recording is a process in which the teacher documents the level of a learner's performance in a specific assessment task. It indicates learner progress towards the achievement of the knowledge and skill. Records of learner performance should provide evidence of the learner's progression. Records of learner performance should also be used to verify the progress made by teachers and learners in the teaching and learning process. Reporting is a process of communicating learner performance to learners, parents, schools, and other stakeholders. Learner performance can be reported in a number of ways. These include report cards, parents' meetings, school visitation days, parent-teacher conferences, phone calls, letters, class or school newsletters, etc.

Good record keeping is essential in all assessment, particularly in continuous assessment. A record book or file must be kept up to date by each teacher. It should contain:

- learners' names;
- dates of assessment;
- name and description of the assessment activity;
- the results of assessment activities, according to Subject;
- comments for support purposes.

Teachers report in percentages against the subject. The various achievement levels and their corresponding percentage bands are as shown in the table below.

Recording is a process in which the teacher documents the level of a learner's performance. Teachers record the actual raw marks against the task using a record sheet. Records of learner performance should also be used to verify the progress made by teachers and learners in the teaching and learning process. Records should be used to monitor learning and to plan ahead. Note: The seven-point scale should have clear descriptions that give detailed information for each level. Teachers will record actual marks against the task by using a record sheet; and report percentages against the subject on the learners' report cards.

When recording and reporting on learner performance in Physical Education, Year 1 - 4 the following marks are applicable:

Term	Year 1	Year 2	Year 3	Year 4	Marks per term	
					Recording	Reporting
1	Participation 20	Participation 20	Participation 20	Participation 20	20	100
	Movement 5 Movement 5	Movement 5 Movement 5	Movement 5 Movement 5	Movement 5 Movement 5	10	
2	Participation 20	Participation 20	Participation 20	Participation 20	20	100
	Movement 5 Movement 5	Movement 5 Movement 5	Movement 5 Movement 5	Movement 5 Movement 5	10	
3	Participation 20	Participation 20	Participation 20	Participation 20	20	100
	Movement 5 Movement 5	Movement 5 Movement 5	Movement 5 Movement 5	Movement 5 Movement 5	10	
4	Participation 20	Participation 20	Participation 20	Revision on External Examination	20	100
	Movement 5 Movement 5	Movement 5 Movement 5	Movement 5 Movement 5	Subjects	10	
Total						400

All records must be accessible, easy to interpret, securely kept, confidential and helpful in the teaching and reporting process. The school assessment policy determines the details of how record books must be completed. Schools are required to provide quarterly feedback to parents on the Programme of Assessment, using a formal reporting tool, such as a report card. The schedule and the report card should indicate the overall level of performance of a learner.

NOTE:

Criterion referencing is best used to describe learner's performance in a skill. Teachers must make use of suitable analytical rubrics when assessing a learner's competence for a specific skill using practical demonstrations.

Codes and percentages for reporting in Grades R – 12

Rating code	Description of competence	Percentage
7	Outstanding achievement	80 – 100
6	Meritorious achievement	70 – 79
5	Substantial achievement	60 – 69
4	Adequate achievement	50 – 59
3	Moderate achievement	40 – 49
2	Elementary achievement	30 – 39
1	Not achieved	00– 29

4.5 Moderation of assessment

4.6 Progression and promotion

4.7 General
